THE CORE COURSE - 34H

Boost Your English, Build Your Confidence

This dynamic course is tailored for students who want to speak English fluently and confidently in both everyday and academic settings. You'll explore engaging topics related to student life and real-world issues, while learning how to express your thoughts clearly and naturally. Through a well-rounded approach that includes speaking, listening, reading, and writing, you'll expand your vocabulary, master useful idioms, and sharpen your grammar—giving you the tools to communicate with ease and impact. Whether in the classroom or beyond, you'll be ready to connect, contribute, and succeed in English.

"Experience is the teacher of all things".

AFTERNOON WORKSHOPS AND EXCURSIONS – 20 H

Take Your Learning Beyond the Classroom

Our engaging workshops give you the chance to practice real-world communication in fun, natural settings. From cooking classes and photography workshops to movie nights and resume-building sessions, you'll experience English in action—while connecting with others and exploring new interests. The program also features exciting cultural outings, including a two-day trip to **Krakow**, Poland's historic royal capital, and an afternoon visit to the enchanting **Moszna Castle**.

Want to explore even more of Europe?

Enhance your adventure by joining an unforgettable extra trip to three stunning European capital cities: **Bratislava, Vienna, and Prague**. Discover rich history, breathtaking architecture, and vibrant local culture—all in one amazing journey. This optional experience is available for an additional €663.
